

# Jennifer Elwood

For nothing will be impossible with God.  
Luke 1:37 (ESV)

## Signature Message

Does your community of women long for the serenity displayed in their favorite Nativity scene?

My message, *Nothing is Impossible with God (Even a Peace-Filled Christmas)*, takes listeners on a journey to find "determined joy" through the story of Mary's first Christmas. The life of Jesus' mother shines a light on the truth that nothing is impossible with God—in ancient times and *now*—including a peace-filled heart during the holidays.

## About Jennifer

I am a speaker, founder of the Refuge Bible Study Community, and author of *Counting Up To Christmas: 24 Gifts from the Gospel of Luke*. Helping women cultivate their faith in the shelter of God's Word delights my heart. One of my greatest passions as the calendar turns to the last few months of the year, is to connect women with the refuge of the Living God so that their count up to His birthday celebration is filled with peace.
